**Note:** This PCN also affects any Custom Devices (i.e. different speed grades / packages, special test, tape and reel, etc.) which are derived from any of the ordering part numbers listed above.

As a point of reference the OR3C55T144-DB, has already been discontinued via Agere PDN99IC39 dated October 28, 1999. PCN# 001A-03 completes the obsolescence of the ORCA OR3C55 family of devices.

**Obsolescence Timing**

Users will have 3 months to place their last time buy (LTB) orders for these devices. All LTB orders for these devices will be non-cancelable and non-returnable and must be placed no later than April 17, 2003 (3 months after the date of this notice) with all deliveries taken no later than January 17, 2004 (12 months after the date of this notice). Orders received after April 17, 2003 will only be accepted based on available on-hand inventory.

If you have any questions or require additional information, please contact your local Lattice Sales Representative or please feel free to contact me at (503) 268-8386.
