Subject: PCN#26-04 Notification of Intent to Discontinue Select Silicon Image Devices

Dear Lattice Customer,

Lattice is providing this notification of our intent to discontinue select devices. The customer demand for these device/package combinations has been declining over the years, and it no longer makes economic sense to continue manufacturing these products.

Discontinuance Timing

Customers will have 6 months from the date of the initial notice to place their LTB orders for these devices. All LTB orders for these devices will be non-cancellable and non-returnable. All LTB orders must be placed no later than January 15, 2027 (6 months after the date of the initial notice) with all deliveries taken no later than July 15, 2027 (12 months after the date of the initial notice). Orders received after January 15, 2027, will only be accepted based on available on-hand inventory.
